What is a Pool technician?

Our pool technicians are the face of EPIC home pro, taking care of our customers and representing who we are as a company by ensuring our customers' pools are always the best they can be!

Typical daily work of an Epic Technician:

- Maintain a customer service, focused approach
- Fully clean pool water and pool surfaces (Vacuum, Brush, Skim)
- Inspect system function and health
- Clean filter and salt cell
- Test pool chemistry and balance water to standards
- Ensure each and every pool looks its very best
 - Ongoing coaching and support is provided daily

Am I the right fit to join the EPIC Team?

We believe it takes a special candidate to join our team and continue to help us grow and be #1! Tell us why you will be a great addition to our outstanding team!

Basic Qualifications and expectations:

- *Previous work experience in an outdoor environment is a plus*
- Has a valid Drivers License without Major infractions or restrictions
- Has a Highschool diploma or equivalent
- Able to Lift and Carry weight in excess of 50lbs, many times a day
- Maintains a professional appearance and adheres to company dress code
- Receptive communicator, able to be coached and open to feedback
- Demonstrates the traits of our outstanding team members:

- Reliable, strong work ethic, accountable, detailed, open to coaching, willing to learn, a team player, customer focused, and willing to get the job done the right way!

If you are interested in an exciting career with potential for growth and development, then apply today to join the EPIC Home Pro, pool service Team!
